Hongkong, 8th January

had settled down Barometer was sent along and maintaining the pace of place throughout, won with consummate ease from the stable companions Freebooter and Free Lance, with the others tailed off.

THE COAST CUP, (presented), value \$—; for all China Ponies, weights as per scale; winners at this meeting of a race of one mile or over, 7 lbs. extra; of two such races 10 lbs. extra; entrance \$5. One mile.

Mr. Gratton's gr. Strathaven...Mr. Hutchings 1
Mr. Rellum's wh. Etiole du Nord...Mr. Müller 2
Mr. Bruce's gr. Forager...Mr. Greaves 3
Mr. Funniboy's gr. Wild Foam...Mr. Brandt 4

This proved one of the most exciting races of the meeting. The whole of the four competitors raced in close company until well inside the distance where Mr. Hutchings made his effort on the old champion and forging ahead landed very cleverly at last, Etiole du Nord fairly besting the unreliable Forager for second place.

THE SUBAACHIN CUP, (presented), value \$—; for Subscription Grifflins; weights as per scale; entrance \$5. One mile and a half.

Mr. Thomas's ch. Sir Garnet...Mr. Hutchings 1
Mr. Harkaway's dun Chronometer...Mr. Brandt 2
Mr. Prosey's gr. Betrayal...Mr. Greaves 3
Mr. Rellum's spid. Silver Cloud...Mr. Müller 4
Mr. Rellum's ch. Golden Cloud...Mr. Griman 5

A splendid race between Sir Garnet and Chronometer. In a dead heat. In the run off Chronometer and Sir Garnet were the winners in the last few strides by a short neck.

THE LEUGER CUP, (presented), value \$175; for all China Ponies; three to start from opposite stables or no race; weights as per scale; winner of Footcup Cup, 7 lbs. extra; entrance \$5. Two miles.

Mr. Prosey's wh. Huntsman...Mr. Greaves 1
Mr. Harkaway's bay Pedometer...Mr. Brandt 2
Major Hagstock's bay Forest King...Mr. Hutchings 3

Huntsman made the running at a very slow pace, with Pedometer second and Forest King, several lengths away, last. After going a mile the leader drew away a few lengths, the pace still being very slow, both the Shanghai riders waiting patiently. Forest King, who had been running in difficulties throughout, was done with half a mile from home, where Huntsman was still plodding slowly along with Pedometer in close attendance. About three furlongs from the finish Mr. Brandt made his effort on Pedometer, racing past the leader and assuming an advantage of two lengths, and entering the straight with a clear lead. Within the distance Huntsman, hard ridden, drew up, and the other falling to stay home, won easily by half a length. Time 5 min. 7 seconds.

THIRD DAY—WEDNESDAY, JANUARY 10TH.

Beautiful weather again favored racegoers, and everything passed off in the most agreeable and satisfactory manner. The ball was opened with the Tamsui Cup for beaten subscription grifflins, Reiver in the hands of Mr. Greaves, a young and very promising horseman, making the whole of the running and winning in a canter. Only three competitors contested the Amoy Stakes, a grand struggle between Huntsman and Strathaven ending in favor of the first named by a short neck. The ever popular Ladies Purse fell to the share of Mr. Harkaway by aid of Pedometer, the winner of the Footcup Maiden ridden by Mr. Oscar Brandt, having a very easy task set him. After the race Mr. Müller, who rode Etiole du Nord, again made himself supremely ridiculous by claiming a foul against the winner, which, considering that Pedometer was never approached after taking the lead, and actually won in a canter, was even worse than his paltry and unsupported objection on the first day. The claim was disallowed. The Purse was presented to Mr. Brandt by Miss Brown in a few appropriate words, the successful rider suitably responding. Huntsman was pulled out again for the Visitors Cup, and won easily from Forager and Sir Garnet, proving himself the best pony at the meeting. Wild Foam, steered by Mr. Dow, had no trouble in landing the Race Club Cup, and then Silver Cloud in the hands of his owner got home in the Consolation Stakes after a rather exciting race. A field of five contested the Champion Stakes, and Iroquois, specially kept for this event, after making the whole of the running, stalled off Mr. Hutchings' final rush on Strathaven, and landed himself a clever winner. Wild Foam ridden by Akew won the Mafoos Race. An additional race for Amoy mafoos only, created a great deal of amusement, the aged Temptation eventually gaining first honors.

This brought to a finish one of the best race-meetings ever held in Amoy. Most of the success is owing to the stewards, who were indefatigable in their exertions. Special praise is due to Mr. St. Croix who acted as "the man in the box" to Mr. R. H. Bruce, who made a most efficient starter, and, last but not least, to the genial and obliging Clerk of the Course, Mr. T. G. Harkness.

THE TAMSUI CUP, (presented), value \$5—; for Subscription Grifflins; winners excluded; weights as per scale. Entrance \$5.

Mr. Bruce's bl. Reiver...Mr. Greaves 1
Mr. Prosey's gr. Betrayal...Mr. Greaves 2
Mr. Rellum's spid. Silver Cloud...Mr. Müller 3
Mr. Rellum's ch. Golden Cloud...Mr. Griman 4
Mr. Westley's gr. Patrol...Mr. Hutchings 5

The winner had the best of an indifferent start, and making the whole of the running won easily by two lengths, Betrayal beating Silver Cloud for second honors after an interesting struggle.

THE AMOY STAKES, of \$10 each; forced entry for all China Ponies entered at this meeting; First Pony to receive 50 per cent. of the stakes; Second Pony 15 per cent. balance to the Fund; weights as per scale. One mile and a quarter.

Mr. Prosey's wh. Huntsman...Mr. Greaves 1
Mr. Gratton's gr. Strathaven...Mr. Hutchings 2
Mr. Harkaway's bay Barometer...Mr. Brandt 3

The three starters were despatched on their journey on even terms, Huntsman and Barometer making joint running, with old "Avon" lying handy a few lengths off. Barometer was beaten after going a mile, and Strathaven assuming second place challenged for the lead at the distance. A tremendous race ensued but the old grey could not quite get up, and suffered defeat by a short neck.

THE LADIES' PURSE, (presented), A Walter Race for all China Ponies; weight 12 stones; entrance \$10. Once round and a distance.

Mr. Harkaway's bay Pedometer...Mr. Brandt 1
Mr. Funniboy's gr. Wild Foam...Mr. Hutchings 2
Mr. Rellum's wh. Etiole du Nord...Mr. Müller 3
Mr. Bruce's bl. Reiver...Mr. Greaves 4

The flag fell to a good start; Etiole du Nord cutting out the work at a fast pace, Pedometer, Wild Foam and Reiver following in Indian file in the order named. Approaching the wall Pedometer came up on the outside and challenging the leader, quickly got the best of the struggle, entering the straight well in front. All the way home Pedometer increased his advantage, eventually winning by a couple of lengths from Wild Foam, who was running well at last. Etiole du Nord was a bad third. On returning to weigh in Mr. Müller, the rider of Etiole du Nord lodged another childish objection to the winner on the score of foul riding. After a short enquiry the objection was over-ruled.

THE VISITORS' CUP, (presented), value \$—; for all China Ponies; weights as per scale; winners at this meeting of a race of 1 1/2 miles or over, 7 lbs. extra; of two or more such races 10 lbs. extra; entrance \$5. Two miles.

Mr. Prosey's wh. Huntsman...Mr. Greaves 1
Mr. Bruce's gr. Forager...Mr. Brandt 2
Mr. Thomas's ch. Sir Garnet...Mr. Hutchings 3

Forager made running at a steady pace with Huntsman and Sir Garnet following in close company. No alterations occurred until a quarter of a mile from home where the chestnut was dead settled, and Huntsman challenging the leader got the best of a pretty struggle, and won very easily at the finish.

THE RACE CLUB CUP, value \$100; for all China Ponies; weights as per scale; previous winners at this meeting 7 lbs. extra for one race, 10 lbs. extra for two or more; to be ridden by residents of Footcup, Fomosa, and Amoy; entrance \$5. One mile.

Mr. Funniboy's gr. Wild Foam...Mr. Dow 1
Mr. Rellum's wh. Etiole du Nord...Mr. Müller 2
Mr. Prosey's gr. Impulse...Mr. Greaves 3

After a capital race Wild Foam won by about a length, with Impulse a fair third.

THE CONSOLATION CUP, value \$100; for all bond Jide beaten Ponies that have not won a race at this meeting; weights as per scale; entrance \$5. Half a mile.

Mr. Rellum's spid. Silver Cloud...Mr. Müller 1
Mr. Prosey's gr. Betrayal...Mr. Greaves 2
Mr. Vaffles' gr. Wild Race...Mr. Hutchings 3
Mr. Vaffles' gr. Free Lance...Mr. Hutchings 4
Mr. Rellum's ch. Golden Cloud...Mr. Griman 5
Mr. Westley's gr. Patrol...Mr. Layton 6

After an exciting struggle along the distance the spotted griffin gained the verdict by a bare half length.

THE CHAMPION STAKES, a forced entry for all winners at this meeting of \$10 for each race; optional entry for non-winners \$5; fifteen per cent. of value of the Stakes to the Fund; weights as per scale. One mile and a quarter.

Mr. Prosey's gr. Iroquois...Mr. Greaves 1
Mr. Gratton's gr. Strathaven...Mr. Hutchings 2
Mr. Bruce's gr. Forager...Mr. Greaves 3
Mr. Harkaway's bay Pedometer...Mr. Brandt 4
Mr. Vaffles' gr. Cruiser...Mr. Dain 5

Iroquois had slightly the best of the start, and made hot running closely followed by Forager and Pedometer, Mr. Hutchings waiting with Strathaven a few lengths behind. Approaching the distance Forager and Pedometer hung out signals of distress, and Strathaven coming up with a grand rush challenged for the lead. It was of no avail, however, as the old grey's exertions in the Amoy Stakes had taken a lot out of him, and although he got to the neck of Iroquois he was finally beaten after a beautiful race, the winner never having been headed from the start.

THE MAFOOS RACE, for all Ponies entered at this meeting; catch weights; to be ridden by Chinese. Once round and a distance.

Mr. Funniboy's gr. Wild Foam...Akew 1
Mr. Rellum's ch. Golden Cloud...Mr. Griman 2
Mr. Harkaway's bay Barometer...Mr. Brandt 3

Wild Foam made all the running and won hands down.

NEWS BY THE FRENCH MAIL.

The Messageries Maritimes Co.'s steamer *Amazona*, Captain Mace, with the London mails of the 8th ulto, arrived in harbour this forenoon. We take the following items of general news from the *London and China Express*—

The Chinese and Japanese Ministers, with their respective suites, were present at the ceremony attending the opening of the New Law Courts on the 4th inst. by the Queen.

The *Linnet*, 5, double-screw composite gunvessel, Commander C. R. Harris, which sailed from Devonport on the 27th ult. for the China Station, via the Suez Canal, arrived at Gibraltar on the 1st inst.

A telegram from Malta, Dec. 5, states that the steamer *Canopus*, from Penang, is ashore at Ricasoli Point. A telegram dated the 6th inst. states that she got off after discharging part of her cargo, making no water; cargo all right.

Major-General C. G. Gordon, C.B., R.E., "Chinese Gordon," as he is generally called, who lately resigned his appointment as Commandant-General of the Local Forces at the Cape of Good Hope, has returned to England.

Lieut. George Vincent Hegan, R.N., who has been selected to serve as flag lieutenant to Admiral Hornby at Portsmouth, entered the Navy in 1867, and served as a midshipman in the *Barrosa* on the China Station.

The Marquis Tseng, Chinese Minister in London, had an interview with Earl Granville at the Foreign-office on the 4th inst. Dr. Macartney, C.M.G., the Secretary of the Legation, has left London for Paris.

Major-General Anson, formerly Lieutenant Governor of Penang, has been invested by the Queen with the insignia of Knight Commander of the Order of St. Michael and St. George.

A telegram has been received by the friends of Navigating-Lieut. Francis Rowlett, of the *Champion*, on the China Station, announcing that his health has so suffered as to render it necessary for him to return to England. He is expected home shortly.

The Queen has approved of the appointment of Mr. F. Napier Broome, C.M.G., Colonial Secretary of Mauritius, to be Governor of Western Australia. Mr. Charles Bruce, C.M.G., Director of Public Education in Ceylon, will be Colonial Secretary of Mauritius.

The *Himalaya* was commissioned on the 6th inst., and will shortly leave to convey, on the relief crews for H.M.'s ships *Albatross* and *Pigmy*, on the China station. Both these vessels will be recommissioned at Singapore on the arrival of the *Himalaya*.

The Queen has been pleased to confer the honor of a Companionship of the Bath on Mr. A. B. Mitford, Secretary at the office of Her Majesty's Commissioners of Works and Public Buildings, in special connection with the opening of the New Law Courts. Mr. Mitford will be remembered by many of our readers as attached to H.M.'s Legation in Tokio from 1866-68.

The new Chinese ironclad, which was last week launched at Stettin, has been visited by several of our prominent shipbuilders, and I learn that the new vessel not only is of a very formidable character, but also of excellent construction as regards workmanship. Her name *Chen Yuen*, indicates "watching the distant," or verbally translated, looking into the future.

The new vessel will leave Stettin for China next spring.

It is officially notified that Her Majesty has approved of the following Indian Regiments bearing on their colours and appointments the words specified against them:—6th Bengal Cavalry, Nagpore; 7th Bengal N.I.; 4th China, 18th Bengal N.I.; 15th Bengal N.I.; 11th Bengal N.I.; 1866-67; 2nd Bengal N.I.; 4th China, 1866-67; 27th Bengal N.I.; 4th China, 1866-67; 5th Bombay N.I.; 4th China, 1866-67.

The French barque *Marianne*, from Cardiff for Hongkong, with a cargo of coal, which put in to Mauritius, Oct. 21, with loss of foremast, mizzenmast, maintopgallantmast, yards, and everything attached, and bulwark bunks smashed, reports having encountered a hurricane Oct. 1, in lat. 41 S. long. 38 E. A portion of the *Hyman* deck

cargo will be discharged, to enable the necessary repairs to be completed, which will be effected about.

It is announced that the *Himalaya* will this month take out relief crews for certain vessels on the China Station, probably the *Encounter*, *Pegasus*, *Albatross*, and *Sheldrake*. The subordinate appointments to the China Station are gazetted:—Commander Anson Schomberg to the *Audacious*, vice Echlin; Staff-Commander Frederick A. Johnston to *Victor Emanuel*, vice Scudamore. Lieutenants: Henry P. Routh and Albert F. Arthur to *Albatross*, when recommissioned; Charles S. Winster, *Pigmy*, when recommissioned; Navigating-Lieutenant F. W. E. H. Smith to *Albatross*, when recommissioned.

The following is an extract from a letter addressed to the Committee of Lloyd's by the London representative of their agents at Higo:—"It is probable that the treaty with Japan, now under revision, will provide for the opening of Shimoda to foreign trade. As this port is at the entrance to the Inland Sea, all vessels trading between the North of China and Yokohama will pass it within signalling distance, and it promises, therefore, to be of value for reporting purposes, apart from what position it may ultimately occupy in respect to its special trade. At present the line defining the respective boundaries of the Higo and Nagasaki agents' districts passes through the middle of the Strait, and it is not yet known upon which shore the foreign settlement will be founded."

SHANGHAI.

The dividend of the Yangtze Insurance Company is Tls. 21 per share, and not Tls. 20, as previously advertised.

We learn that a native silk speculator became bankrupt to-day for Tls. 530,000. The assets will probably amount to about half that sum.

The condition of the steward of the *Ingoo*, who was stabbed on Friday night, has so far improved that he was able to be removed to the Hospital this afternoon.

The following gentlemen have been elected as Municipal Councillors for the ensuing year in accordance with the provisions of Art. XVIII of the Land Regulations:—Messrs. Jacob S. Ezekiel, M. Kall, R. Mackenzie, G. J. Morrison, A. Myburgh, J. Rouston, A. Sim, J. Welch and A. C. Westall.—*Courier*.

We hear that Li Chung-tang is likely to be degraded by the Emperor in consequence of some of his negotiations with the outside world. The Emperor wants to know who is Emperor of China—the Ta Kwang-ti or Li.

We hear that the application of the Great Northern Telegraph Company to the Superintendent of Trade at Nanking and Tientsin to prevent the Eastern Extension, &c., Company from laying their cables at Woosung has been very properly refused by the Chinese authorities.

The sale of Smith's market is reported again at Tls. 263,500 less Tls. 1,500 commission. It was sold about three weeks ago for Tls. 262,000. It is not likely that a Chinese buyer could be found just now for a higher price, when interest is a real day; so the buyer must be a foreigner.

The *Daily News* has a correspondent in the North who says that a correspondence has been come to between Mr. Bourée and Li Hung-chang about China's suzerainty over Tongking. We cannot see any compromise. If Tongking likes to pay a tribute to China that will not be any concern of the French; but Tongking will have to keep her treaties with France irrespective of China's alleged suzerainty.

We regret to hear that Mr. A. Carmichael, managing engineer of Messrs. S. C. Farnham & Co.'s works, died of small-pox at the General Hospital, on Sunday afternoon. Mr. Carmichael had been connected with the Old Dock for many years, and possessed abilities of a very high order in engineering work. He was a warm-hearted Scotchman, and his untimely death will be felt with genuine regret by his many friends. The Old Dock was closed to-day.

The steamer *Wuhu* left Shanghai for the Yangtze ports on the morning of the 6th. She ran ashore in a fog on the Waterman's Bank at the Langshan Crossing on the top of the tide. The *Shanghai* endeavored to tow her off but could not succeed; so she took off the *Wuhu's* passengers. The *Whampoa* left this afternoon to bring back her cargo, and the *Heron* also left to tow her off.

The Consuls had a meeting the other day to consider the communication from the Viceroy in which he requested the Consuls to put a stop to their nationals engaging in competition with native manufactures. The Consuls declined to accede to his request, and have referred the matter to Peking. The Viceroy seems to be ignorant that foreigners have a treaty right to engage in, and employ Chinese in, any lawful occupation.

The position Mr. Bourée assumed with regard to Korea with Li Hung-chang was that as Korea was an integral part of the Chinese Empire, as Li Hung-chang claims, that the existing French treaties applied to China, and he demanded that the privileges conferred by those treaties for French citizens should be extended to Korea. As regards Tongking that was settled at Paris.

The failure is announced of Chin Yuen-sing, a silk merchant, proprietor of the celebrated Kaling shop; his liabilities are said to be Tls. 60,000. It is rumored that he has been speculating in shares of *Yanoo*, who is charged by the Consular with a gigantic robbery of the *Shanghai* famine fund, in land, houses, Selangor and Electric shares, &c. A silk broker is also a defaulter in connection with him for Tls. 100,000. There are eight piece goods firms announced as defaulters for the following amounts in taels: 10,000; 13,000; 20,000; 10,000; 5,600; 10,000; 17,000; 16,000.—There are 31 native banks interested in Chin Yuen-sing. He has landed property and three pawnshops.

In our issue of the 20th ultimo, we reported two Chinese fishermen were saved from a sinking junk, off Peshan Island, by the steamer *Footcup*. To-day, a very handsome flag has been presented to this steamer by the leading Swatow merchants as a mark of appreciation of the conduct of the ship's company, and Mr. Low, chief officer, was especially thanked for his brave conduct. The following extract from the ship's log shows that high praise is due to Mr. Low for his heroism in this incident:—*Footcup*, Capt. Clegg; Saturday, 16th Dec., at 5 p.m. sighted a water-logged junk with two men on board making signals of distress, about 10 miles S.S.E. of Peshan Island, blowing strong from N.N.W. Thermometer down to 86°. Immediately put steamer round and went alongside junk; managed to take one man off, but the other man was so benumbed that we could not get him to put the rope round his body so as to enable us to have him on board. As the steamer was drifting away about three ship's lengths, gave orders for some one to jump into the water with rope fast to the stern of the junk, and Mr. J. Low, chief officer, both jumped into the water, and Mr. Low being a powerful swimmer, managed after hard work to rescue the man, who was nearly frozen to death. The steamer's boat could not be put out as a very high cross sea was running at the time and the boat could not have weathered it five minutes. Capt. Clegg considers that if Mr. Low had not acted as he did that the fisherman would have lost his life.—*Merrymag*.
